Detailed Inventory

PWS Name: Hooksett Village Water Precinct

PWSID: 1181020

Purpose of this worksheet: *To provide a format water systems can use to track materials for each service line in their distribution system.*

Location Information		System-Owned Portion	Customer-Owned Portion	Entire Service Line Material Classification
Location Identifier		System-Owned Portion Service Line Material Classification	Customer-Owned Portion Service Line Material Classification	
House No.	Street Name			
Water systems must track addresses of all service lines in their inventory. For the publicly accessible version,		*Drop-down list includes classification options. If "Non-Lead Other", describe in Notes field*	*Drop-down list includes classification options. If "Non-Lead Other", describe in Notes field*	*This column will auto-populate. The four required service line classifications of Lead, Non-lead, Galvanized Requiring Replacement, or Unknown are included*
